Data Analyst | Passionate About  
Market Trends, AI, and Emerging  
Technologies | Lifelong Learner

Data Science student and former Data Analyst Intern at Inker Robotics, contributing to RoboPark, Thrissur's innovation hub. Conducted research with 3,700+ respondents, automated reporting, and delivered insights on tech awareness, pricing, and engagement using Python, Excel VBA, Power BI, and Looker Studio. Skilled in data-driven decision-making, research design, and stakeholder collaboration. Passionate about applying analytics and automation to tech-driven community projects.

## Professional Experience

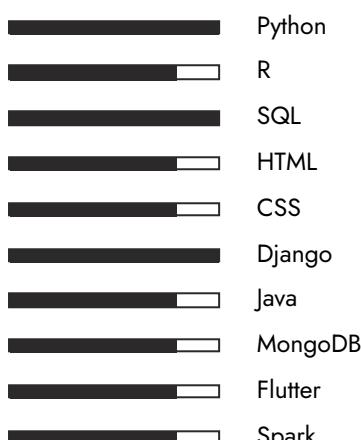

**Data Analysis Intern** • Worked on a market research project for Technology Experience Centers, analyzing industry trends, consumer engagement, and market opportunities. Collaborated with a team to provide data-driven insights for strategic planning, enhancing skills in data analysis, business research, and applied data science.
